

NEWS – MEDIA RELEASE

SkillsUSA often uses student photographs and other media in its publications, including newsletters, brochures, website, displays, video reproduction and newspaper articles. As a student taking part in a SkillsUSA function, your photograph may be taken during the various activities and be selected for use in any of the publications or media. The photos will be used only to promote and positively recognize the students and programs. Therefore, we would like to obtain your consent to use any photographs, other media or information pertaining to competition participation throughout the year.

I / we do hereby authorize SkillsUSA and Eastern Center for Arts and Technology, local newspapers, and television news media to photograph and video tape my son/daughter while participating in the SkillsUSA activity.

We agree to hold harmless SkillsUSA and Eastern Center for Arts and Technology or its successors, from any claim resulting from the use of the photographs or video.
