Scope of the Contest – (Defined by the National Competition Regulations)

(District Competitions are meant to be a scaled down version of National Competition. It is important for the students to participate in a competition that will reflect a cross-section of the industry skills needed to prepare them for the state and national levels)

Evaluate each contestant's preparation for employment and to recognize outstanding students for excellence and professionalism in the field of customer service.

Knowledge Performance

The contest involves a written knowledge test. Knowledge of the competencies outlined below will be assessed during the written knowledge test. Written assessments may also be given during the skill performance portion of the contest.

Skill Performance

The contest involves live, role-playing situations which demonstrate the ability to perform customer service skills selected from the following list of standards and competencies as determined by the SkillsUSA Championships technical committee.

CONTEST GUIDELINES

1. Each contestant will be given the same scenario(s) and the same amount of time. Total time will be 15 to 20 minutes.
2. Contestants will be required to attend an orientation meeting where a written test will be given. At this meeting, contestants will draw for reporting times.
3. Contestants should expect to use any of the aspects of the skills listed in “Standards and Competencies.” A scenario may involve multiple situations occurring simultaneously (e.g., one customer may be engaged in a telephone conversation with the contestant while another customer is walking through the door for face-to-face interaction).
4. Judges will serve in the role of the customer(s).
