

DIESEL TECHNOLOGY

ELIGIBILITY

Open to active SkillsUSA members enrolled in programs with diesel equipment technology as the occupational objective.

CLOTHING REQUIREMENTS

Official SkillsUSA light blue work shirt and navy pants, black or brown leather work shoes, and safety glasses with side shields or goggles. (Prescription glasses can be used only if they are equipped with side shields. If not, they must be covered with goggles.)

NOTE: At the district level if a student is not able to wear the official SkillsUSA attire he/she may wear an outfit that would be acceptable in their specific field of study. Please keep in mind that official SkillsUSA attire will be required at the state and national level.

EQUIPMENT AND MATERIALS SUPPLIED BY HOST

1. Supplied by the technical committee: materials, supplies and equipment

EQUIPMENT AND MATERIALS SUPPLIED BY CONTESTANT

1. All students must have a one-page, typewritten resume.
2. Proof of Training signed

SCOPE OF THE CONTEST - (DEFINED BY THE NATIONAL COMPETITION REGULATIONS)

(District Competitions are meant to be a scaled down version of National Competition. It is important for the students to participate in a competition that will reflect a cross-section of the industry skills needed to prepare them for the state and national levels)

KNOWLEDGE PERFORMANCE

The contest will include a 25-question written knowledge exam to assess knowledge of electrical principles used in diesel technology. The My ICEV book will be used for the test questions.

SKILLS PERFORMANCE

The contest will include a series of stations where students will service and repair large diesel engines, brakes, drive trains, charging and starting systems.

Contest Guidelines

Competitor will have to do the following:

1. Brakes- Student will R&R and inspect the S-cam brake system and adjust wheel bearing to TMC specs.
2. Engine-students will adjust the valves and injectors on a Caterpillar C10 Engine.
3. Electrical- Students will check the battery, charging, and starting system on a running engine.

DIESEL TECHNOLOGY

DIESEL TECHNOLOGY SCORE SHEET

Item Name	Description	Possible Points
Written Test	IECV Book	50
Station 1		25
Station 2		25
Station 3		25
	Subtotal = 125	
No Resume	Deduction -10	
Clothing Penalty	Deduction -5	
Safety Penalty	Deduction -10	
	TOTAL	

Note: No cell phones or other electronic devices may be used at any time during a competition; this includes using a calculator function on a cell phone for competitions in which calculators are permitted.

Note: Scorecards should only be used as guidance. Changes may occur.
