**Scope of the Contest** – *(Defined by the National Competition Regulations)*

*(District Competitions are meant to be a scaled down version of National Competition. It is important for the students to participate in a competition that will reflect a cross-section of the industry skills needed to prepare them for the state and national levels)*

**Knowledge Performance**

The contest will include a skill-related written knowledge test assessing knowledge of crime scene procedures including: investigation and photography, collection and handling of physical evidence, crime scene sketches, fingerprinting and writing a report.

**Skill Performance**

All skills demonstrated by contestants will show the ability to work as a team and safely handle a crime scene while identifying and collecting evidence, lifting latent fingerprints and completing a basic report and sketch.

**Contest Guidelines**

Team will be given a crime scene and will have to demonstrate the collection of evidence. The team will demonstrate the collection of latent fingerprints. team will be required to diagram and photograph the crime scene and write an incident report. Each team will have a maximum of 45 minutes to complete the skills.
