Scope of the Contest – (Defined by the National Competition Regulations)

(District Competitions are meant to be a scaled down version of National Competition. It is important for the students to participate in a competition that will reflect a cross-section of the industry skills needed to prepare them for the state and national levels)

Core standards from the medical terminology portion of the National Health Care Core Skills Standards Project make up the category from which questions are developed for the Medical Terminology contest.

Knowledge Performance

This contest involves successful completion of a written medical terminology knowledge test. Content for the test is based on the Core Standards from the National Health Care Core Skills Standards Project.

Skill Performance

Contestants will demonstrate knowledge of medical word roots, prefixes, suffixes and medical abbreviations by successfully answering the questions.

1. Contestants, as part of the demonstration, should voluntarily express pertinent information.
